

Smart Desktop Terminal

# SUNMI T3 Family - T3 80MM New

Power meets elegance at your counter.

Powered by  
**SUNMI OS**

Compatible with  
**SUNMI DMP**

- **New platform to unleash powerful performance.**

Enjoy a 20% performance boost, with a Qualcomm octa-core processor offering a clock speed up to 2.4GHz and built with a 6nm process technology, along with 4GB RAM+64GB ROM of robust memory.

- **Sleek Z shape. Consistent excellence in design.**

The standout Z-shaped design offers elegance from every angle.

A metal die-casting process provides a slim yet sturdy body.

The hidden cable system keeps your workspace organized and clutter-free.

- **T3 80mm built-in high-speed printer by Seiko.**

80mm thermal printer provides top printing speed of 250mm/s and an impressive lifespan of 150km.

Easy and cost-effective maintenance with simple print engine replacements.

- **Enhanced user experience with new features.**

Triple displays provide versatile content presentation and seamless multi-screen integration. The NFC readers on two sides of the screen simplify membership management. The power button features fingerprint recognition for instant unlocking and secure app access.

**Modular design for  
easy maintenance.**

Powered by Qualcomm

**20%  
Performance boost.**

\*Data from SUNMI Lab.

**Triple the content you  
want to display.**

**Use CPad PAY  
as a secondary display.**

**Expanded interface  
design.**
